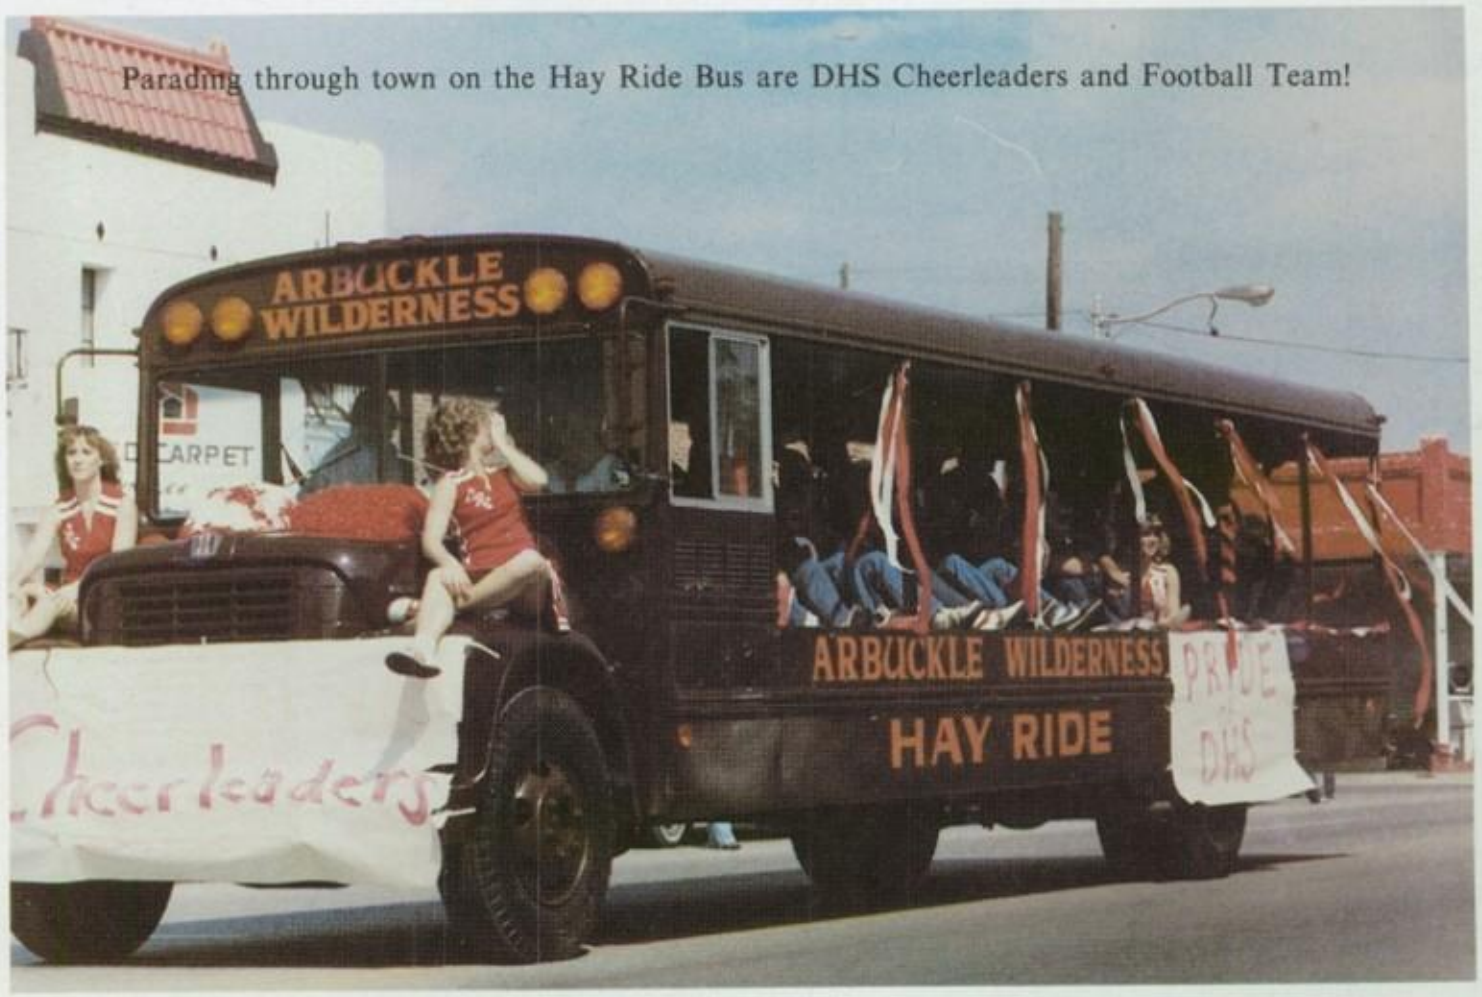
DAVIS WOLFPACK

On The Move In New Directions

The 1982-83 school year has drawn to a close and another senior class prepares to embark upon a new journey. This journey will involve them with greater independence, new people, new opportunities, and new responsibilities. Mingled with this anticipation of the future, however, there is a certain sense of sadness, a strange empty feeling involved as we leave friends, teachers, and the familiarity of school.

These changes, however, are inevitable as they are necessary for growth. Productive changes can make a good thing better. Our school system is changing and improving both academically and athletically, achievements for which we are very proud. We realize that schools, like people, can not stand still and become stagnant. Movement is a part of development.

Our graduates are also moving. As individuals they progress toward their own goals and expectations. With ambition and determination, we are moving on in NEW DIRECTIONS.



Parading through town on the Hay Ride Bus are DHS Cheerleaders and Football Team!

1983 DEDICATION

Kathleen Todd

The editor and staff of the Davis Wolfpack proudly dedicates the '83 edition to Mrs. Kitten Todd, the librarian at DHS. We are fortunate to have in our library a lady who is so informed, enthusiastic, and dedicated to helping students. Mrs. Todd, herself a graduate of DHS, has a real desire to make our school a special place of achievement, pride, and enjoyment. In addition to helping us have one of the best libraries in the area, Mrs. Todd is also an excellent classroom teacher, who not only likes teaching, but she also likes kids! The many hours she spends working as a sponsor of our Student Council is another reason we appreciate Mrs. Todd. School is made more lively and exciting by the special projects sponsored by the Student Council under Mrs. Todd's guidance. All in all, Mrs. Todd is a special person, and we're fortunate to have her at DHS!

SENIORS . . .

As graduation draws near, we begin to ponder our fate. We now realize our future depends upon how well we have prepared ourselves with the education opportunities offered to us here at Davis High School. Nearing the end of this school year we anticipate moving out into life with a certain amount of happiness, yet sadness; a certain amount of courage, yet fear; a certain amount of security, yet doubt. Along with these feelings comes the deep appreciation and thankfulness to each teacher and parent responsible for this achievement. With these thoughts, the Senior Class of 1983 bids you a fond farewell and asks for your blessings as we move out in all directions.

SOUNDS OF MUSIC

The "Sounds of Music" shake the halls of the old high school as Mrs. McKee attempts to bring out the talents of the members of her Vocal classes. Her success can be seen in the outstanding performances at the Variety Show, and the Christmas and Spring concerts. For the first time in many years, there is a growing awareness of the potential talent once hidden in the student body. People "feel like singing" about singing. Let's hope this kind of enthusiasm in the Vocal department persists.

"O.K. you guys, let's vote on it! No, better yet, let's pick a committee!"

Paige Drake devouring the profits!

In the "in" place to be (on Monday anyway) is in the library for lunch. There you can find salads, onion rings, coneys, and . . . student council members hard at work planning who knows what.

They've sponsored everything from blind-fold banana-eating contests, during homecoming, to fortune tellers and popcorn balls at Halloween. Why once they even raffled away a huge dog (no it wasn't a member, it was stuffed). In addition to fun and crazy activities the council conducts canned food drives for the needy and co-ordinates and plans the two homecoming events of the year.

The council believes that their job is to promote good public relations and school spirit among students, faculty and the community.

Each member donates plenty of time and energy to see that it works (do you know how long it takes to make cinnamon rolls to feed a football team?) That's why we think they're number 1.

Student Council members hard at work trying their hand at making popcorn balls for the 1982 Halloween Carnival.

THE PETE BYRD SPORTS CENTER

The Pete Byrd Sports Center was dedicated on Tuesday, November 16, 1982. It has the capacity of seating 1200 people and to better serve the public there are two concession stands, six water fountains, eight entrances, four emergency exits, and a spacious lobby. There are four locker rooms and a washer and dryer are provided for the teams to use.

We are very proud of the Pete Byrd Sports Center and appreciate Mr. Byrd for all that he does for our school system. He has served the Davis School System for twelve years and has brought about many changes. Pete Byrd is dedicated to helping the Davis School System move on in ***all*** directions.

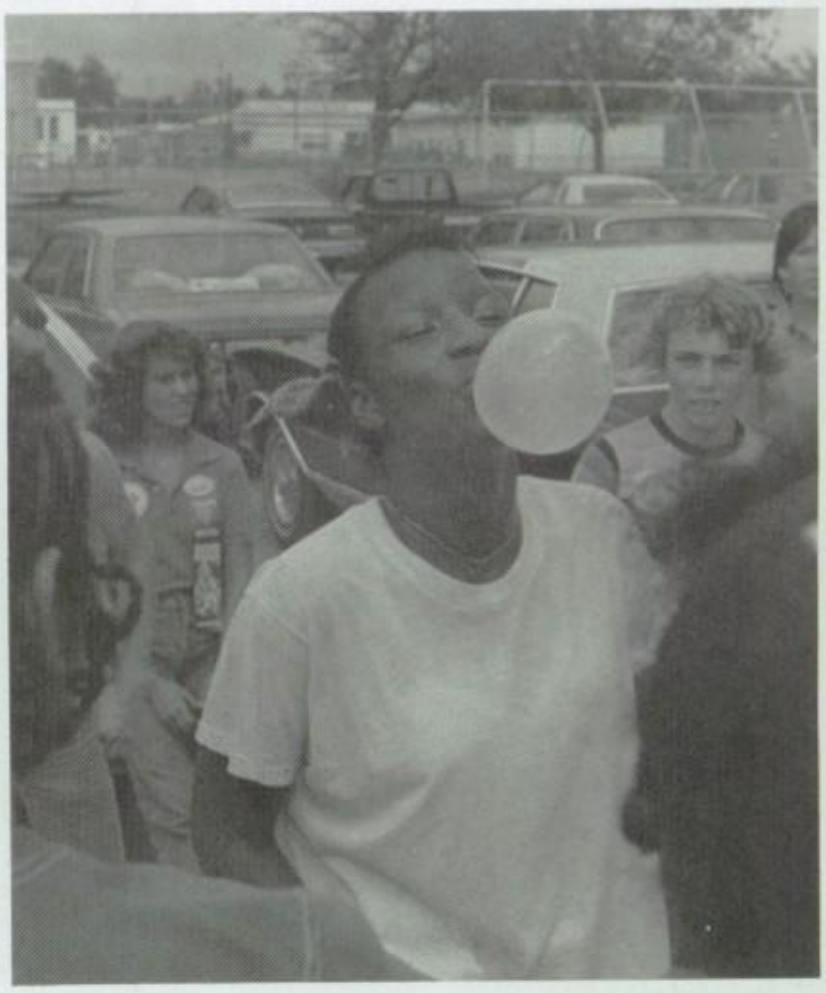
LIFE IN ALL DIRECTIONS

Right-All DHS students were captivated by the size of Genevia Williams' winning bubble. Even contestant Stephanie Glasgow, pictured below, was amazed at the magnitude of her rivals bubble.



VALLEY GIRLS

In 1983 the Valley Girl Vocabulary became popular with students at DHS. Here's just a sampling of what could be heard as walking down the halls of Davis High School.

Totally ..... In Every Way
Barf Me Out ..... That's Disgusting
Soci ..... Social
Bag It ..... Forget It
Grody to the Max ..... Totally Disgusting
Grody ..... Disgusting
I'm Sure ..... I'm Not Sure
or I'm really sure ..... I'm Not Sure
Fer Sure ..... Really - For Sure
Tubular ..... Like Awesome
Awesome ..... Like Tubular
Gag Me with a Spoon ..... I can't believe it

Life at DHS has many surprises. While strolling on the North Campus during 1st hour, photographer C. Brown spied DHS twirler Cindy Webber- ALL ROLLED UP.

SECONDARY AIDES

High School Aides: Dena Carter, Tracy Simonsen, Karen Sosebee, Mrs. Lewis, Jason Koch, and Kris Warren.

Library Aides above - Jerry Tillison, Karen Lee, Jackie Wylie, and Superintendent Aid Nona Sue Cooper. Left - Junior High Office Aides: Kim Peery, Mrs. Black, Michelle Caram, back row - Shelly Schultz, Sandra Dodson, Johnny Buckaloo

Who helps make DHS run smoothly? AIDES do - that's who! Aides had many jobs this year from running office errands (usually all the way to the North Campus) to typing catalog cards and decorating bulletin boards. The aides were subjected to many new learning experiences this past year. Such as listening. Listening to Mr. McKee bellow out orders, or to Mrs. Todd's frantic, "Where are the Aides? Where did I stack those papers?" And the most frequent, "Oh, where in the world are my keys?!"

On the other hand, Mrs. Lewis and Mrs. Black are a bit easier to work for. After all, somebody has to keep the Aides coming back to keep the Library and Offices headed in the- Right Direction!

STUDYING

Everybody had their own method. Some even were caught doing it with their eyes close. But few DHS students escaped the inevitable — studying.

Although many books have been written recommending a guaranteed successful study program, most students adopted their own styles. The library was a popular escape for students who sought a quiet place for serious concentration. And then, there were the students who preferred to study late at night, and on into the wea hours of the morning.

Whatever the time or wherever the place, the art of studying was well practiced at DHS.

Renovation

"Renovation" was a common term on campus at DHS and invariably it referred to the face lift given to the North Campus and the completion of the new gymnasium. Students watched through the summer and early fall as workman rebuilt, recarpeted, painted, and constructed our facilities.

The opening date for the new gym was postponed from its original scheduling, and students eagerly watched for the grand opening. Elementary students were delighted to be the first in their new facility and the majority of the student body applauded the completion of the new sports center.

Editors Acknowledgements

The year 1982-83 was a spectacular one. It was filled with fun, friends, and most of all memories. Memories which the staff and I sincerely hope we've captured not only entertainingly, but also accurately. We've tried to add a little something for everyone and it is our wish that the 1983 Wolfpack be pleasing and beneficial to each of it's owners. We've worked very hard this year to make the Wolfpack the best possible.

I would like to thank photographers C. Brown, and staff member T. Miller for all their time, effort, hard work, and patience with me. I asked for the impossible and they gave me more and better pictures than I imagined could be produced. A big "Thank You" goes to photographers Harry Meyers, Jerry Mike Pullen, and Tim Taylor from the Davis News. It was their work that made this book unique and special. And I would also like to thank Kenny Parks, Pat Norrell, and Pat Russell for the numerous candid shots they contributed to our book.

Although pictures told a lot about 1983, writing was needed to complete the story. The 1983 Contributing Editors Jo Aaron, Kitten Todd, Malea Norrell, and Shawn Joyce gave their time and talent willingly to tell us the complete story.

I would like to thank the Gary Whitley family for the use of their lob cabin home. It's a beautiful house, and the Whitleys made us feel right at home. It was their extra effort and kindness that made our Who's Who pictures so special.

And finally, to complete my acknowledgements I would like to thank Mr. Richard McKee for his unending patience, and advice, and Mrs. Kathleen Todd for her constructive criticism which didn't hurt too much, and her never ending source of ideas. I'd also like to thank Mr. Gerald Goodson for his help with the elementary section. And last, but most important, I'd like to thank our sponsor Mr. Robert Jennings. It was his calm, logical advice that pulled the 1983 Wolfpack Staff through the year.

And now, it's time to be ***moving on in our own directions,*** but we'll always have the WOLFPACK to bring us back together.
